

SRC Security Research & Consulting GmbH

certifies that

Topgame Technology Corp

Via Espana 122

Panama City

Panama

has successfully undergone a

PCI DSS Security Scan

based on the PCI DSS scanning requirements "*PCI Approved Scanning Vendors Program Guide Reference 1.0, March 2010*"
on 2011-09-13.

Please note that this certificate is valid only in conjunction with the referenced scan report that is part of this certificate. The results are based on samples taken by SRC at the dates indicated in the reports. Merchants and Service Providers are responsible for maintaining their PCI DSS compliance at any time.

According to the requirements of the PCI Data Security Standard endorsing payment card organisations, the next PCI DSS Security Scan falls due until 2011-12-12.

Bonn, 10. November 2011

Under no circumstances should this statement be construed to imply any endorsement or warranty regarding the functionality, quality, or performance of a particular product or service, and no party shall state or imply anything to the contrary. SRC specifically disclaims any and all representations and warranties with respect to products and services covered by the performed PCI DSS security scan, including, without limitation, any implied warranties of merchantability, fitness for purpose or non-infringement.
